Presidents Corner

Greg Huyser

The start of the new year is a time for looking back and looking to the future. For MCCI 2024 was a year that will be remembered and discussed often in the future. The extensive preparation, planning, and execution for the August MCA National Show put MCCI front and center for Mustangers across the country and impressed everyone involved. The June show, spring cruise, and steak fry are just a few of the other highlights from an active club event calendar. Looking to the future, 2025 looks to be another busy year with numerous activities on the calendar.

Later this month Roger Fee and myself will be attending the MCA Leadership Summit. I'm looking forward to meeting other club leaders to see what kind of events they're involved in to see if any of them make sense for our club. More on that next month.

As some of you know, my Dad passed away last month at the age of 92 after living a full and happy life. He is the single most important reason I'm sitting here writing for a club dedicated to Mustangs. Dad was a mechanic and a Ford Guy. (Some say those two things fit together well). We always had Ford vehicles at home and when the Mustang came out he took me to the Ford dealer in Fort Dodge to see the new Mustang. I was only 3 at the time but remember that day as well as the countless Mustang toys I had to play with. At the age of 4

I said I told my parents I was going to have a Mustang some day; a prophecy that came true. As a mechanic my dad taught me everything that I know about cars and working on them which has enabled me to work on a bunch of old Mustangs. I loved the time spent with dad working on cars and a few years ago I gave him a print of the image below because it reminded me of those times. I'm sure many of our members have similar stories of someone who introduced you to the Mustang Universe and I'd love to hear those stories.

Secretary Message

No message this month because of the Board meeting. Attend the Chili Feed for more info.

New Site Chosen for our MCCI Car Show in 2025

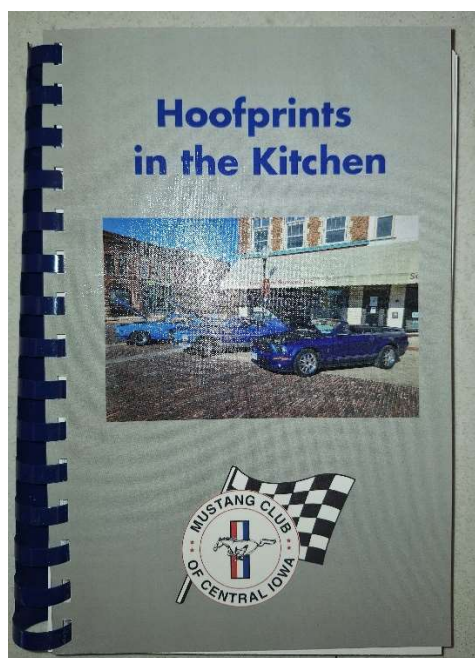

The outlet mall in Altoona has informed the MCCI that they are no longer willing to host car shows in their parking lot. After searching a lot of possibilities, Jimmy and the Board settled on Merle Hay Mall. Basically, we've outgrown most places who would be willing to accommodate us, so we are working on setting up the new location. We'll need help, so come join us at Bennigan's on the third Thursday of each month thru May to help.

**DUES ARE PAST DUE,
PLEASE
COME JOIN US!**

CHILI FEED INFO

The Chili Feed is coming up 1/19, we will meet at The Waukee Community Center (675 Walnut) again this year. Please come around 11:00 so we can get the chili all mixed up and heated. Bring warm chili if you can and just enough to feed you. If you haven't been to this event before, we mix everyone's chili together and it always ends up really good. You should also bring your table service (bowl, plate, silverware, napkins), and a dish to share (side, chili toppings or dessert) and your beverage of choice. We will **NOT** have extra drinks this year. We'll give away a door prize or two, and have our monthly meeting after lunch.

2025 CALENDAR NOTICE

We have 2025 calendars for all club members, but will not be mailing them this year. If you want one or two, pick them up at one of our events, or send the newsletter editor a message and we'll mail you one or more if you pick up the postage tab.

Don't forget, we still have some cookbooks to sell, lots of good recipes, and clearance priced. 1/\$8, 2/\$15, 3/\$20. See Greg or Kris at most any event.
